Adult Day Services

easterseals DC MD VA

Our Adult Day Services provide personalized care in a warm and engaging environment for individuals with developmental, intellectual, and medical disabilities. Our person-centered care ensures that no matter what brought you into our center, we can meet your needs and help your family thrive.

We Provide

- Highly trained staff who are committed to each client and family we serve
- Wheelchair-accessible transportation to and from our center
- Center-based and community activities, including gardening, guest speakers, special celebrations, and outings
- On-site clinical services, including a registered nurse, physical and occupational therapy, and licensed social worker services

Caregiver Support

At Easterseals, we support the whole family.

We welcome the opportunity to care for your loved one while you work, attend appointments, or simply take a break with the peace of mind that your loved one is happy and safe. We also offer support groups and connections to other caregivers.

With Easterseals, you are not alone.

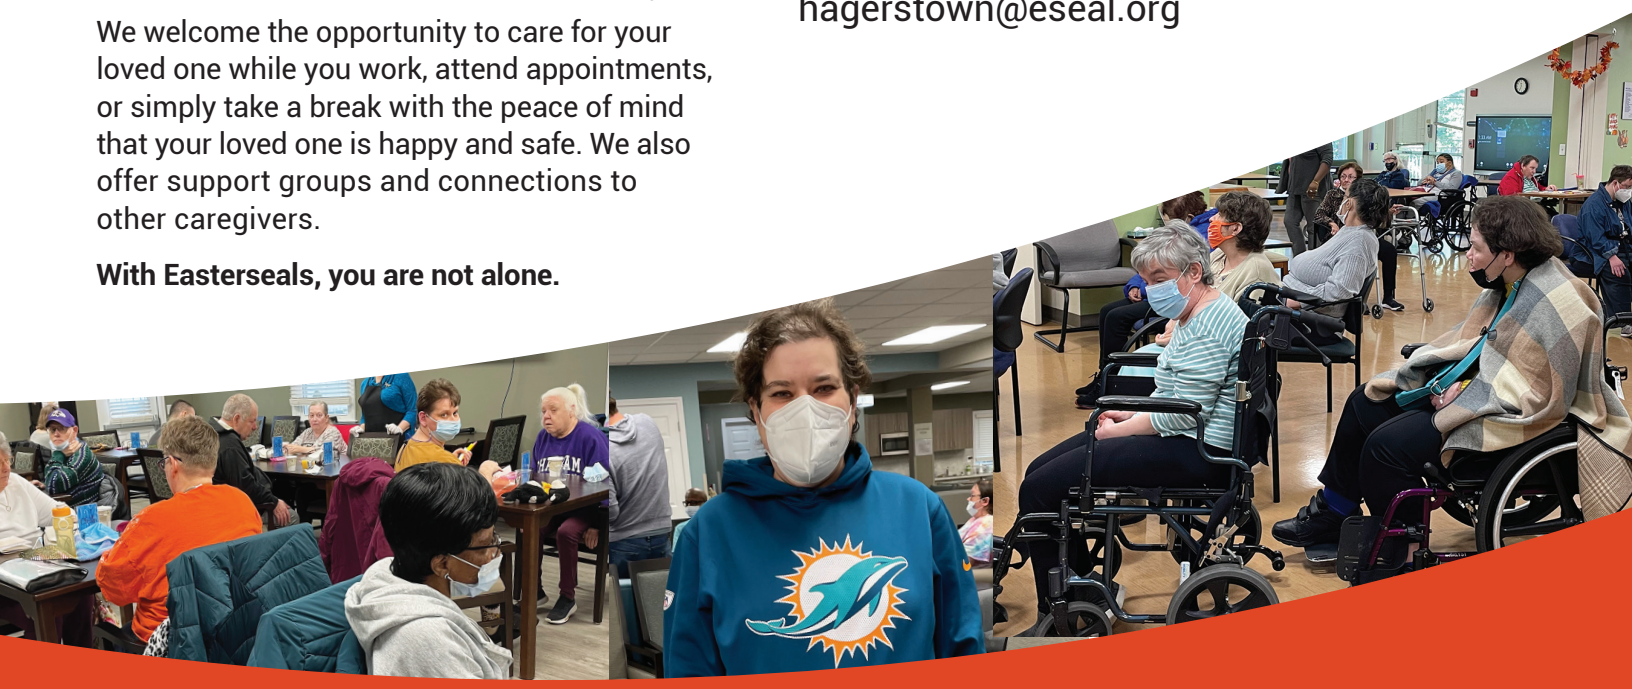

Client Testimony

"Since I've been going to Easterseals, I look forward to life. It's like a family. It made me feel comfortable because all of the workers there, all of them, they are dedicated to making you feel better about yourself — and that means a lot."
